

## **Information about student Travel Cards**

As a student, you could be entitled to a Public Transport Travel Card. In order to receive a Travel Card the distance between the school and your home address must be more than 6 kilometers (walking distance). We measure the distance using Google Maps. You will receive the Travel Card from your Mentor.

The card is valid for travel between 04:30 AM and 07:00 PM on weekdays. You can upgrade your Travel Card at the SL Center, SLs agents and Metro and commuter railway stations. See [sl.se](http://sl.se) for the current price list. An upgraded card is valid around the clock. **Pupils that have already bought a Travel Card are not compensated for this.**

**Please note that the school cannot replace lost cards.** The card is already covered by the warranty from SL, but the warranty requires that you registered the card on "Mitt SL". See [www.sl.se](http://www.sl.se)

If you have any questions about Travel Cards please contact the school office.

**If you interrupt your studies, you must return the Travel Card to the school.**
