

Name .....

Date of birth .....

**Application** for admission to the Upper Secondary School in Stockholm with English as the language of instruction.

The Natural Science and the Social Science programmes are offered in English at Kungsholmen's Gymnasium/International Section.

The International Baccalaureate is offered at the International School of the Stockholm Region (ISSR).

*This application form is used only for applying to the International Section at Kungsholmen's Gymnasium and for applying to the International School of the Stockholm Region (ISSR) by students who have studied abroad or want priority to the IB.*

You should also apply to these programmes by the Internet and the regular application form.

Please contact the Admissions office for a password

## Instructions

The application should reach the Admissions office before the 15th of February. Applications may also be accepted later than the 15th of February if the applicant is not living in Sweden on that date.

Sections A, B, C and D are to be completed by the applicant.

**The application, a copy of the most recent school report**, translated into English when necessary, and **other papers that are of importance for admission** should be sent to:

The Admissions office  
Gymnasieantagningen Stockholms län  
Box 4404  
102 68 STOCKHOLM

Please note that the admissions office only deals with applications to grade 10 (PDP/MYP5).

If you want to apply to grade 11 (DP1) or grade 12 (DP2) you must send your application directly to the school.

DP1 is offered at the ISSR. DP2 is offered at both schools, Kungsholmen's Gymnasium/International Section and the ISSR.

## Application

<b>C</b>	Nationality	Mother tongue	Date of arrival in Sweden
Are you registered as a permanent resident in Sweden?			
<input type="checkbox"/> Yes, in the municipality (kommun) of _____			
<input type="checkbox"/> No not yet. In which municipality will you be registered? _____			
<input type="checkbox"/> No, my parent works at a foreign embassy and I will not be registered in Sweden.			
Probable length of stay in Sweden			
<p>Permanent residents in the municipalities (kommuner) in Stockholm county (län) may be admitted to the Natural Science and the Social Science programmes in Stockholm. Applicants from other municipalities may be admitted only if they are considered to have strong personal reasons for applying to these programmes in Stockholm. On <a href="http://www.gyantagningen.se/">http://www.gyantagningen.se/</a> you can find detailed information about the qualification requirements. Please note that a grade 9 mark in Swedish is required for eligibility to the Natural and Social Science programmes at Kungsholmen's Gymnasium. A very good knowledge in English is required for all programmes.</p> <p>Applicants whose parent is employed at a foreign embassy may be admitted to any one of the programmes. A certificate from the embassy should accompany the application confirming the employment. However, if the parent is employed at an embassy representing a country outside the EU then admission to the Natural Science and the Social Science programmes is possible only provided that they pay the school fees. A certificate from the embassy should accompany the application confirming that they are willing to pay the fees.</p> <p>As for the IB, priority is given to applicants who are temporary residents in Sweden, provided that they have a good educational background. Permanent residents in Sweden may also be given priority to the places in the IB if they can show an assignment/contract confirming that the family will be moving abroad within a couple of years.</p>			

<b>D</b>	State your reasons for preferring tuition in English If you want priority to the IB, please state your reasons here and enclose a copy of the assignment/contract confirming the temporary nature of your stay in Sweden during the next few years.
